Nan Sundeen

ASPEN

RFL offered me opportunities to understand my strengths and weaknesses as both participant and leader of community initiatives; it gave me the skills and the courage to take the lead on complex social issues where the problem is clear but the solutions are elusive; it inspired me to embrace my passion to serve those who are most vulnerable, to trust collaborative problem solving and ultimately, to trust myself.

HOW NAN PLUGS HERSELF INTO OUR COMMUNITY:

CURRENT:

- Director, Pitkin County Health & Human Services (for 17 years)
- Facilitator, Pitkin County Homeless Coalition
- Case Manager Volunteer, St. Mary's Winter Shelter Project
