

ROARING FORK
LEADERSHIP

A Founder of Roaring Fork Leadership

Sue Smedstad

SNOWMASS VILLAGE

“Roaring Fork Leadership was designed to provide members of the community with an opportunity to examine community issues in a safe, respectful forum, while developing leadership skills and building relationships at the same time. My role in this process and throughout my years serving on the board reinforced my commitment to work with others of like interests, to identify gaps in community services and fill them.”
